Principal's Memo

April 26, 2018

"ASB" – Where Faith is Nurtured and Futures will grow."

To: Parents and Guardians of Academy Students

From: Mrs. Elizabeth Palascak, Principal

The month of May will arrive shortly with all of its warmth (we hope) and beauty and we are officially winding down the school year. Your children have blossomed and grown so much in this past year! Did you notice the butterflies on the cross in the church sanctuary? During our retreat day on Holy Thursday, each of your children colored and placed it on the cross as a symbol of their growth and change. What an exciting year it has been!

Since returning from Easter break, we have been and will continue to be in a frenzy of activities. Our Student Council led us in a weeklong celebration of Earth Day concluding tomorrow with Arbor Day when we will plant a tree – donated to us by Maria's Garden Center – thus contributing in a small way to taking care of our earth. Yesterday our students participated in our annual Social Studies Fair showcasing their expanded knowledge of a particular person, place or thing. Thank you to all of our parents and extended families for attending and supporting our children!

On Wednesday, our children's musical talents will be on display as all grades perform in our spring concert at 1:00PM and 7:00PM. The following Wednesday, the 9th, our Band and Choir concert will take place at the same times previously mentioned.

Next Saturday, May 5th, our 8th graders will be receiving the sacrament of Confirmation as a preparation for them to move into another phase of their lives, high-school, and be members of the Catholic church as young adults living out and being witnesses to their faith in the days and years to come. Soon after that, the following Saturday, we will witness our 2nd graders receiving the sacrament of the Eucharist for the very first time. These two events certainly solidify in our minds just how important a Catholic school education is!

We look forward to having a "Morning with Mom" on either the 9th or the 10th to celebrate Mother's Day. Your RSVP is due on Monday, please!

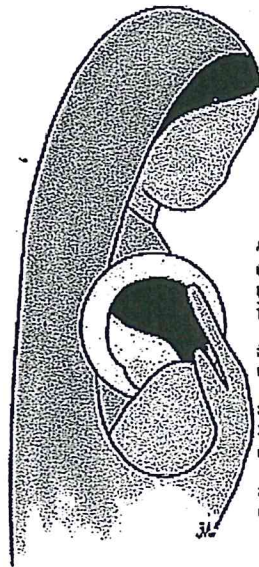

On behalf of all the teachers, staff and students of the Academy, I would personally like to thank all of the members and board of the PSSG for all of their efforts and hard work on behalf of our students this year. No matter what capacity you helped in, all of your

time and efforts are truly appreciated!! However, we still need you to volunteer for various activities that have not ended. We sincerely appreciate any time you can give at our lunch and recess this month of May and the first week of June.

Please continue to refer to the **May** calendar that is in today's folder for all of the numerous activities and celebrations taking place!

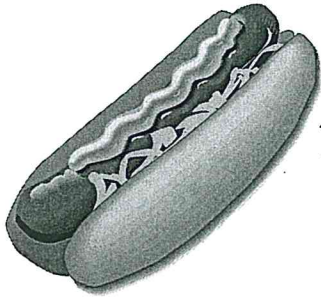

We are having an **Open House** during school hours on **Tuesday, the 1st**, for new families who may want to see what we are all about. If you know any family members, neighbors or friends who may be interested in touring our school, encourage them to stop in on Tuesday!

A Happy and Blessed Mother's Day to all!

MARY
encouraged Jesus
to listen to his
inner wisdom...
she modeled for him
unwavering courage...
she taught him to
respect and appreciate
creation...
she nurtured his
compassionate heart.

John M. Bergquist, 2001

Field Day
